Consent to photographs

I hereby grant Mid Sweden University the permission to use photography or film footage featuring my image taken during this specific photo session. The photos will be used both in print and digitally, both internally and externally, in a marketing context to promote the University. This agreement applies to print and digital media formats including print publications, our website, advertising, press images, in collaborations with our research partners film and social media.

By signing this document, I give consent to the use of my photography as described above.

- I have received and read a copy of the information letter at the photo session
- Mid Sweden University may transfer my personal data to third countries in the way stated in the information letter.
